Septembr 26th 2026
11:00 am-2:00 pm

Northbank Shelter
Riverfront Park
507 N Howard
Spokane, WA

HOPE WALK 2026

At PSSC, we strive to reduce suicide attempts and rates, and to promote prevention, intervention, and postvention strategies in our community

This special day brings together individuals and families who have been impacted by suicide, those grieving a loss and those who have survived, to **build a stronger, more supportive community.**

This event is built on the message that **no one walks alone.** Through remembrance, community support, and open conversation, we can help **reduce stigma** and **foster healing.**

Registration is Free: [Reserve your spot today](#)

Hope Walk t-shirt will be available for purchase on-site.
